

# Dr. Karen Perry Memorial Scholarship

\*Applications due January 25, 2020\*

Karen Perry was a very special woman who shared a passion for many things with many people. She was a World Class Gymnastics parent for thirteen years. She was a school superintendent, participated in Community Theater, loved music and dancing, and loved coaching gymnastics. Being a well-rounded individual herself, Karen strived to have this same goal for her children. She was always a strong supporter of whatever her children participated in, and encouraged them to continue with activities even when things became challenging. Her daughters have participated in gymnastics their whole lives, and have even continued to pursue the sport at the collegiate level. Although they continued to participate in the sport, it was never the entire focus of the college career. Academics, extra-curricular groups and activities, as well participating in the sport made it possible to become that well-rounded individual that Karen had hoped for.

## Requirements:

- Must be graduating high school senior
- Gymnast must be level 9 or level 10
- Must have good work ethic and possess personal character traits of sincerity, pride, sportsmanship, responsibility, determination, self-discipline, and a positive attitude
- Gymnast must have a GPA of at least 3.3
- Gymnast must need financial assistance for college
- Must write a personal statement explaining how she exemplifies the above qualities and why she is deserving of this award

\*Personal statement must be at least 500 words\*

Submit applications along with personal statement to: [sperryotr@gmail.com](mailto:sperryotr@gmail.com) by January 25, 2020.

The Dr. Karen Perry Memorial Scholarship will be awarded at the Team Challenge
